

CHORAL GROUP PROFILE

LOCK CITY GLEE CLUB

Description

The Lock City Glee Club was formed as a community chorus in 1982, having been a corporate sponsored men's chorus since 1965. The Glee Club performs around the area of Lockport, NY, named for its lifting locks on the Erie Canal - hence the nickname "Lock City." Much in the manner of those locks lifting boats and cargo to travel further, the Glee Club tries to lift the spirit and enthusiasm of its audiences. Members enjoy the harmonies of fellowship and fun along with music.
